**A Special Birthday Present**

Daniel wants to buy a Christmas present for a very special person, his father. Daniel's mother gives him \$3.00 a week pocket money and David puts \$1.00 a week into his bank account. After three months David takes \$10.00 out of his bank account and goes to the shopping center. He looks and looks for a perfect gift. Suddenly he sees a beautiful brooch in the shape of his favorite animal. He says to himself, "My father loves jewelry, and the ring costs only \$17.00." He buys the ring and takes it home. He wraps the present in blue paper and places it under the pillow. He is very excited and he is looking forward to his father's birthday morning to see the joy on his father's face.
