Skating!

This winter I learned to skate! A friend of mine had an extra pair of skates. He persuaded me to go skating with him one Saturday afternoon in February. I borrowed the skates and we went skating!

It was cold outside! We wore hats, scarves and mitts to keep warm. He showed me how to put on the skates. He helped me walk onto the ice. He showed me how to start moving. He also showed me how to stop! I moved very slowly at first and lots of people skated past me. When I fell nobody laughed at me. Instead, they helped me get back up. I kept trying! Soon I felt much better. I liked skating!
