I can do it tomorrow

1. PROBLEM: Do you leave projects until the very last minute and then stay up all night to finish them?
2. SOLUCION: People often put things off because they seem overwhelming. Try dividing the project into smaller steps. After you finish each task, reward yourself with a snack or a call to a friend.

Guess What I Just Heard

1. PROBLEM: Do you try not to talk about other people, but can't help yourself? Do you often feel bad after you've done it?
2. SOLUTION: First, don't listen to gossip. If someone tells you a secret, just say, "Really? I haven't heard that." Then think of some other news to offer - about yourself.

Never On Time

1. PROBLEM: Are you always late? Do your friends invite you to events a half hour early?
2. SOLUTION: Set an alarm clock. For example, if a movie starts at 8:00 and it takes 20 minutes to get to the theater, you have to leave at 7:40. Set the alarm to go off at the time you need to leave.

A lion, tired from chasing his prey lay sleeping under a nice, shady tree. Some mice, scrambling over him while he slept, awoke him. The lion was upset and lay his paw on one of the mice. The mouse begged for mercy so sadly that the lion let him go. A few days later, the same lion found himself caught in a hunter's net. He could not get loose. He roared in anger. The mouse whose life he had saved heard this and came. How could a little mouse help a big, strong lion? His sharp little teeth chewed through the ropes and soon the lion was free.
